**This lesson series is intended for NOVICE AND EARLY INTERMEDIATE players.** This means you have successfully completed the Ocean Hills Beginner Pickleball program (or have equivalent playing experience), have a reasonable understanding of the rules, can keep score, can serve and return, etc.

Also, if you have been away from pickleball for a while and would like to get started again, this would be a great ***refresher class*** for you.

Players from the prior novice class wishing to repeat may do so.

Class will be limited to 24 students.

These lessons will be led by **Herb Livsey** and his amazing staff of volunteers. The curriculum will concentrate on fundamental pickleball skills and how to apply those skills during your games.
